BECOME AN EXHIBITION SPONSOR //

Sponsorship allows businesses the opportunity to associate themselves with the audience served by our gallery, while at the same time supporting arts and culture in our community.

Sponsorships are critical to our operations, with self-generated and private sector revenues currently accounting for 40% of the gallery's operating budget.

The arts/business partnerships are mutually beneficial and represent an investment in the community. By becoming a Sponsor, your business ensures that arts and culture remain an important part of our community.

- Your name or your company's name on our gallery's entrance wall
