GENERAL INFORMATION ABOUT VOLUNTEERING AT THE GALLERY

Volunteers are a vital part of the Gallery operations and there are many opportunities to get involved.

Gift Shop In the Gift Shop, volunteers generally work a 2 to 5 hour shift weekly. You must be comfortable working with the public, enjoy art, deal with sales, track visitors, register people for art classes and more. It's a fun, creative environment and great work experience.

Special Events For special events, volunteers help with poster distribution, set up and take down, serving food and beverages, and more.

Children's Programs For those who enjoy working with children or participating in community events, the Gallery often has volunteers assist with school tours of the Gallery or children's art activities. There are also opportunities to represent the Gallery or offer an art activity as special events out in the community.

Join A Committee From time to time, the Gallery needs volunteers to participate on a committee either year-round or on an ad hoc basis. Contact the Gallery to see if there are currently openings on any of our committees.

Get Involved! If you enjoy art, like working with people and want to gain diverse experience in a community organization, contact the Gallery and apply to become a volunteer. All volunteers must participate in training and orientation as well as complete a RCMP criminal record check.
